

TUESDAY TRIVIA QUIZ

Week 1 ANSWERS!

#1 The Hendersonville Community Co-op Sustainability mission is to support and practice the responsible use of resources for current and future generations both in our business practices and in the products we carry. You all invested in the future with the addition of solar panels on your Co-operative Campus. How many total solar panels are there on Campus? **C) 348**

#2 How much were the first yearly “ownership dues” for HCC in 1991? Today the dues are \$25 per year. **B) \$5**

#3 HCC prides itself with an offering of fresh, organic and all natural dishes made daily. Three homemade organic soups are offered every day, sandwiches are made to order and the hot bar and salad bar are available every day (presently pre-package). Pre-Covid 19, you could enjoy breakfast, lunch and dinner in your Deli Café. What popular flower adorns the tables you would find in the Deli dining area? **B) Sunflower**
